

EC Certificate of Factory Production Control

No. 0780-CPD - 92033

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Product Directive – CPD), amended by the Directive 93/68/EEC of 22 July 1993, it has been stated that the construction products

Cold formed welded hollow sections for steel structures

Circular sections, $D_a = 17.2 \text{ mm} - 159.0 \text{ mm}$; wall thickness 1.5 mm – 5.0 mm

Square, rectangular sections, perimeter 52 mm – 480 mm; wall thickness 1.5 mm – 5.0 mm

Material: non-alloy structural steel S235JRH • S275JRH • S355J2H

produced by the manufacturer

Utva Silosi a.d. Kovin
Dunavska 46
26220 KOVIN - Serbia

in the factory

Utva Silosi a.d. Kovin, Dunavska 46, 26220 KOVIN - Serbia

is/are submitted by the manufacturer to the initial type-testing of the product/s and a factory production control including the testing of samples taken in the factory according a prescribed test plan and that the notified Inspection and Certification Body - No. 0780 CPD -

LGA Bautechnik GmbH

has performed the initial inspection of the factory and the factory production control on 2009-05-12 and performs the regular inspection, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised standard

EN 10219-1:2006

were applied.

This certificate was first issued on 2009-06-09 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly or latest till 2014-05-31.

Nuremberg, 2009-06-09

Dipl.-Ing. Karl-Heinz Störrlein
Head of Certification Body
