

## EC-DECLARATION OF CONFORMITY

in accordance with the Constructive Directive 89/106/EEC amended by Directive 93/68/EEC.

Manufacturer: **UTVA SILOSI a.d.**  
Address: st.Dunavska No.46  
26220 Kovin  
Republic of Serbia

We hereby declare that the

**Products:** Cold formed welded structural hollow section in the following characteristic:

**Steel grade:** S235JRH, S275JRH, S355J2H

**Section:**

circular	$\Phi 17.2 - \Phi 159 \text{ mm}$
square	$\square 13 \times 13 - \square 120 \times 120 \text{ mm}$
rectangular	$\square 30 \times 15 - \square 160 \times 80 \text{ mm}$
wall thickness	1.5 – 5.0 mm

are in conformity with. standard EN 10219-1:2006, Annex ZA - Cold formed welded structural hollow section of non-alloy and fine grain steels, Part 1: Technical delivery conditions

The products conform to requirements of the standard:

- EN 10219-1:2006, Cold formed welded structural hollow section of non-alloy and fine grain steels, Part 1: Technical delivery conditions – non specific inspection

**Purpose and method of use:**

for building constructions and engineering building, within the scope of the Directive 89/106/EEC amended by Directive 93/68/EEC.

The Declaration hereof is issued based on the EC Certificate of factory production control No.0780-CPD-92033 dated 2009-06-09 issued by the notified Inspection and Certification Body – No. 0780 CPD – LGA Bautechnik GmbH.
